SCHOOL POLICIES

ADMINISTRATIVE FEE:

There are many hidden costs involved in running a small business. We make every effort to keep the cost of the lessons down. The administrative fee is added to cover the time and cost involved in maintaining a customer account, billing and dealing with the effects of late payments. If the semester is paid in full at the beginning, the fee is waived. Otherwise, the fee is due with your first installment.

*For students who are new to the Redding Music School and want to "try it out for two weeks", the fee will be waived until the second billing. At that time you can decide to pay the rest of the semester in full or include the fee with your second installment.

ABSENCE:

If a student misses a lesson/s, ONE lesson can be made up at the end of the semester. This is a reserved week at the end of the semester and only those students who have missed a lesson should attend. If more than one lesson is missed during the semester it will be at the clients expense.

(Please speak with your instructor directly for alternate make-up lessons during the regular semester.)

If a teacher cancels a lesson and is unable to schedule a make-up lesson, your account will be credited. Teachers often are not able or required to accommodate other cancellations. Teachers are not required to and are often unable to accommodate other cancellations.

WEATHER CLOSINGS:

If lessons are cancelled due to weather, our Facebook page and our Website will be updated by 1:00pm indicating that we are closed.

Thank you for joining us at Redding Music School. We look forward to a great year.
